# HOME SKIN CARE 5 STEPS TO BEAUTIFUL SKIN

G.M. Collin is committed to excellence by creating unparalleled products with natural ingredients and cutting-edge biotechnology. The result is our exclusive five-step system to beautiful, radiant skin for every type and condition.

STEP 1

CLEANSING

## SURFACE CLEANSERS AND MAKE-UP REMOVERS

### HYDRAMUCINE CLEANSING MILK

A creamy-textured emulsion that cleanses and promotes skin radiance. **For normal to dry and dehydrated skin.**

### SENSIDERM CLEANSING MILK

A light, cleansing creamy-textured emulsion specially formulated **for sensitive skin of all types.**

### OXYGEN PURACTIVE + MILD CLEANSING GEL NEW

A fragrance and alcohol-free gentle foaming gel. Removes excess sebum, impurities and make-up, leaving the skin soft, fresh and clear. **For normal to oily skin.**

### PURACNE OXYGEN PURIFYING GEL NEW

AHA/BHA gentle cleanser. Deeply cleanses and purges out impurities and comedones caused by acne and excess oil.

### DEEP CLEANSER

#### DEEP CLEANSING SOLUTION

A deep cleanser that dissolves excess sebum, leaving the skin feeling clear and refreshed.

STEP 2

EXFOLIATION

### EXFOZYME

A creamy enzyme-based exfoliant to promote a smoother and healthier skin. **For all skin types.**

### PHYTOAROMATIC GOMMAGE

Incorporating non-irritating minispheres, this dual-action treatment product restores and exfoliates. **For all skin types.**

### INTENSIVE EXFOLIATING GEL

An innovative enzymatic formula in an easy-to-use gel with a fresh spring scent that exfoliates and firms.

**For all skin types and conditions, even sensitive.**

STEP 3

TREATING  
LOTIONS

### HYDRAMUCINE TREATING LOTION

A gentle and refreshing mist, specially designed for moisturizing **dehydrated skin of all types.**

### SENSIDERM TREATING LOTION

A moisturizing mist that soothes and comforts the condition of **sensitive skin of all types.**

### OXYGEN PURACTIVE + TREATING LOTION NEW

A purifying, hydrating, matifying lotion that helps minimize enlarged pores. Refreshes and soothes. **For normal to oily skin.**

## SKIN TYPES

## NORMAL TO DRY SKIN

**LIPIAD NOURISHING COMPLEX**

An elixir rich in essential fatty acids, nourishes and supports skin's natural repair function.

**NUTRIVITAL CREAM**

A rich, nourishing and revitalizing cream for skin in need of lipid replenishment.

**NUTRIDERM CREAM**

A quickly absorbed cream that evens out skin tone, nourishes and revitalizes.

## NORMAL TO OILY SKIN

EXCLUSIVELY AT THE OSCARS®

**OXYGEN PURACTIVE+ CREAM**

Light and non oily oxygenating cream. Normalizes, detoxifies and hydrates. Matifies and tightens dilated pores.

**OXYGEN PURACTIVE+ MASK**

Purifying and revitalizing mask. Matifies, detoxifies and hydrates the skin. The complexion is clear and even.

**PHYTOAROMATIC MASK**

An effective complex of plant and marine extracts to provide a matte appearance.

## SKIN CONDITIONS

## DEHYDRATED SKIN

**HYDRAMUCINE CONCENTRATE**

Light formula, provides immediate moisture for improved skin absorption and allows skin to remain hydrated all day long. **For all skin types.**

**HYDRAMUCINE CREAM**

Creamy non-sticky texture rapidly absorbed, acts as a hydrating anti-dehydrating agent to provide moisturizing benefits. **For normal to dry skin.**

**HYDRAMUCINE OPTIMAL CREAM**

Hydrating cream that restores the optimal hydration state with a delicious, ultra-fresh texture. **For normal to dry skin.**

**HYDRAMUCINE OPTIMAL GEL**

Alcohol and oil-free hydrating gel that promotes the optimal level of skin hydration with a pleasant aroma. **For normal to oily skin.**

**HYDRAMUCINE CREAM-MASK**

A creamy formulation to improve skin's hydration in just a few minutes. **For normal to dry skin.**

## REDNESS

**VASCO-TONIC CONCENTRATE**

An effective serum that helps visibly reduce skin's redness and tone. **For sensitive skin of all types.**

**SENSIDERM CREAM**

A biotechnology-based formula to soothe and rebalance sensitive skin. **For normal to dry skin.**

**SENSIDERM GEL**

A unique oil and fragrance-free formula that soothes irritation and restores epidermal balance for an overall sensation of well-being. It increases skin tolerance to environmental assaults. **For normal to dry skin.**

**LUMINANCE CONCENTRATE**

Brightens skin complexion and visibly reduces pigmentation spots on face, neck and hands. **For all skin types.**
